NICE TURNOUT (WOOHOO) at the February meeting. Introductions of the attendees.

January meeting minutes unavailable for review and approval

Principal's Report: Eric Hamilton talked of the excitement of having students in the building for hybrid learning and students are doing a great job wearing proper masks and that teachers have begun receiving vaccinations. There will be a police officer in the building every day. The school is live streaming sporting events and fine arts events on the YouTube channel. District is uncertain as to when such events can have spectators in the stands. He anticipates a prom for Seniors only due to Covid restrictions. There will be a graduation! Not sure how but there are currently 4 plans in place. And most sports are crammed into these last months of school.

Treasurer's report: January Treasurer's report....it is what it is. Jen made a motion to approve with Tonya making a second and all in favor approved Jan report.

School Store: We are looking for volunteers to run the store due to Bart's pending departure from Sequoit Pride. If we have spectators in the stadium, the store will open. Suggestions were made to have students run the store with adult/department supervision.

Memberships: Erin talked about how memberships are sold and what is in the memberships. We will need to decide as to whether we will stick with traditional memberships for fall depending on Covid restrictions as the memberships include tickets to sporting events and fine arts events.

Yard signs for Seniors. Motion was made and approved to split the cost with ACHS. Roughly \$4000.00.

Nicole has started the scholarship application process and Bart will get the email going for the Brad Hubbard award.

Teacher appreciation is in May and will be discussed at the March meeting. In the meantime, Kris Keeler to head up coffee for the staff from Caffe Latte during the week of Feb 18.

\$3000 was approved for the English Department Writers Week.
