ANTIOCH COMMUNITY HIGH SCHOOL BRICK CAMPAIGN

Support ACHS, Brick by Brick

Your brick purchase will help support valuable opportunities for Sequoits from academics and athletics to arts and activities. Generations of men and women will continue to receive an excellent education at Antioch Community High School through your support of the Pathway of Excellence Brick Campaign.

An engraved brick for a family member or friend can recognize birthdays, anniversaries, graduations, memorials, retirements, Father's Day, Mother's Day... or, consider purchasing a brick to commemorate a beloved teacher or coach, a sports championship, special award, achievement or milestone.

A public unveiling ceremony will take place shortly after each installation, and all donors to the campaign will be invited to the viewing. To be part of this historic moment and to be assured of a brick in the pathway, order your brick today!

Pathway of Excellence

ANTIOCH COMMUNITY HIGH SCHOOL BRICK CAMPAIGN

Where Memories Live and Legacies are Honored

Whether you are an alum, student, friend, or staff member, you are embraced as family at Antioch Community High School. Since 1915, our vibrant community has thrived because of your notable contributions – in the classroom, on the sports field, at special events, and through generous gifts.

You can help bring together and honor our unique ACHS family in the *Pathway of Excellence* located at the front entrance of the school. Purchase a brick paver in the Pathway to commemorate special memories and recognize those who have made Antioch Community High School the distinguished school it is today and will be for generations.

Be a part of this beautiful space in our community. Preserve lasting memories and honor legacies in the Antioch Community High School *Pathway of Excellence*.

Here's How It Works...

With a gift of \$100 to Antioch Community High School, a 4" x 8" brick will be attractively inscribed with your name(s) and positioned in the Pathway. Through a special process, lithichrome-filled lettering preserves your name(s) for generations to come.

Located prominently in the front of the school, the Pathway is seen by hundreds of campus visitors and students every month. Named bricks will be arranged according to the design provided by contracted landscapers. Eventually, hundreds of names of Antioch Community High School graduates and friends will fill the Pathway: names of alumni who embody the Antioch Community High School tradition; names of parents who made an ACHS education possible; names of students who currently study at the campus. These are all names that create the Antioch Community High School story.

Each brick will tell your distinct ACHS story. Simply complete and send us the enclosed order form in the envelope provided with full payment. It's that easy. As a donor, your brick will be carefully prepared following your instructions and placed in the Pathway.
