

## Become a Sequoit Pride Member

Hundreds of parents, guardians, community members, teachers, administrators, and business owners are working together to give ACHS students as many opportunities as possible. Together, we are the Sequoit Pride booster club. Sequoit Pride promotes and encourages the academic, artistic, athletic, and extra-curricular pursuits of student life at Antioch Community High School. We enhance school spirit throughout the school and community through the provision of resources and financial assistance to their organized activities. Our initiatives are created, coordinated, and staffed by people like you who made the decision to step up, volunteer, and make our community a better place. **Will you help us help the students?**
